<button type="submit" class="registerbtn">Submit</button>  
</form>  
</body>  
</html>
```

OUTPUT

The image shows the rendered output of the HTML code. It features a light blue rectangular container with a thin pink border. At the top center of the container is the title "Registration Form" in bold black text. Below the title are four input fields, each preceded by a label: "Firstname :", "Qualification :", "Age :", and "Email :". The input fields have light gray placeholder text: "Firstname", "Qualification", "Age", and "Enter Email". At the bottom of the form is a green rectangular button with the text "Submit" in white. The entire form is set against a light pink background.
